

Nomination for the first SLA Europe Information Professional Award (SLA EIP 2005)

It is our pleasure to announce that Ms Claudine Xenidou-Dervos was nominated for the first SLA Europe Information Professional Award (SLA EIP 2005) for her outstanding contribution to the creation and maintenance of the Hellenic Academic Libraries Link (HealLink). Claudine was one of the two runners-up, a honorary distinction which is attributed for the first time. The relevant press release of SLA is to be found under the link:
