**Complete the Open Access process for your article now**

Dear Lewis Nebel,

Congratulations on the acceptance of your paper *HEAL-Link Test article* (DOI: DOI\_202301091711040317/ ID: PRV56551) in *Gerontology and Geriatric Medicine*.

*Gerontology and Geriatric Medicine* is a Gold Open Access journal, in which all papers are made freely available and published with an Open Access license. In order to proceed with the publication of your article, you need to select the appropriate OA license type.

**Select license type**

Please note, to proceed with publication, an article processing charge (APC) is payable by you or a bill payer of your choice: 711.07 GBP (subject to tax where applicable). No production work will begin on your paper until the Open Access steps have been completed. To avoid delay, please complete the steps as soon as possible.

[Visit SAGE's Open Access Portal](#) to learn more and choose your license.

Best wishes,

SAGE Publishing Open Access Team

Step 4. At this stage you will be able to select your Creative Commons licence, depending on what is available for the journal and any funder requirements, and who owns the copyright for your article.

## Copyright and open access license selection

This Agreement will grant to the owner(s) SAGE Inc. (the 'Proprietor') of the Journal, Gerontology and Geriatric Medicine (the Journal title subject to verification by SAGE Publishing ('SAGE')) a commercial license to produce, publish, sell and sub-license your article ('Article') and any accompanying abstract or Supplemental Material (all materials collectively referenced as the 'Contribution'), in all languages and all formats through any medium of communication for the full legal term of copyright (and any renewals) throughout the world.

The Proprietor will publish the Contribution under the Creative Commons license selected by you below.

### License Selection

The open access license(s) allowed by this journal are listed below. If your institutional or research funder mandate requires you to sign a different license, please contact [openaccess@sagepub.com](mailto:openaccess@sagepub.com)

[Creative Commons Attribution-NonCommercial license \(CC BY-NC 4.0\)](#)

This license allows others to re-use the Contribution without permission as long as the Contribution is properly referenced and the use is non-commercial. The Proprietor will receive exclusive commercial rights to the Article and non-exclusive commercial rights to the abstract and Supplemental Material
